FOR IMMEDIATE RELEASE-----

**ACCUTEST LABORATORIES SPONSORS CYSTIC FIBROSIS AWARENESS
FOUNDATION GOLF OUTING**

Dayton, NJ—Accutest Laboratories, one of the nations leading environmental testing labs, has announced Corporate Sponsorship of the 3rd Annual Charity Golf Outing to benefit The Cystic Fibrosis Awareness Foundation. The event will take place on Tuesday, October 4th, at the Forsgate Country Club, located in Monroe Township, New Jersey.

Nick Lombardi, Business Development Manager at Accutest Laboratories, and his wife Patricia started The Cystic Fibrosis Awareness Foundation in 2004 from personal experience. Their daughter, Caitlin, was diagnosed with Cystic Fibrosis at three months old. Currently, she is 10 years old and doing well.

“Accutest is proud to sponsor and support the Cystic Fibrosis Awareness Foundation. It is especially important to us, as it will directly benefit Caitlin Lombardi,” said Vincent J. Pugliese, President and CEO of Accutest Laboratories.

If you have questions, or need additional information regarding the golf outing, please contact Nick Lombardi@732-329-0200, or via e-mail at nickl@accutest.com.

Registration for the event can be completed online at www.cfawarenessfoundation.org.

About Accutest Laboratories

Accutest Laboratories is a privately held, independent testing laboratory successfully delivering legally defensible data for over 47 years. Founded in 1956, Accutest provides a full range of environmental analytical services to industrial, engineering/consulting and government clients throughout the United States.

Operating from integrated laboratories in New Jersey, Massachusetts, Florida and Texas, Accutest's resources include a staff of over 285, six million dollars' worth of laboratory instrumentation and more than 100,000 square feet of laboratory space.

Accutest is ranked as the fifth largest environmental laboratory in the United States. Our growth is attributed to our corporate philosophy of developing long-term business relationships through dedication to quality, client services, technology and strong, consistent management.
